

Black Students' Alliance

President/Co-President

The goal of Black Student Alliance is to create an avenue for black students and all students who support the black experience, to feel a sense of community on campus. This organization will provide support for all black students on campus regardless of nationality, culture, religion or ethnicity. Our goal is to increase black representation on campus and to ensure that all black students can be heard and supported with their academic and communal endeavours. We aim to foster an inclusive space on campus where black students can express themselves and discuss issues alongside allies. This includes political, economic, and social issues affecting the black community. Our goal is to create legacy by engaging in discourse surrounding topics such as: mental health, world issues, campus issues, black representation on campus, racism, whiteness and beyond.
